A [copy of the petition](#) is available for review on the Board of Appeals web site at [www.Hopkinton.org/government/zba](http://www.Hopkinton.org/government/zba). It is my understanding that this project shall be required to obtain site plan approval from the Planning Board. In addition, due to the wetlands on the site, it is my understanding that an Order of Conditions shall be required from the Conservation Commission.

Please provide your recommendations and comments to the Board of Appeals no later than **May 21, 2004**. Please include within your comments your overall recommendations regarding approval or denial of the requested relief, and in either case, your specific recommendations for reasonable conditions in the event that the relief is granted by the Board of Appeals.

Kindly file a paper copy of your comments at the Office of the Board of Appeals in Room 207, and also e-mail a copy in a Microsoft Word document or Adobe pdf file to [ZBAClerk@Hopkinton.org](mailto:ZBAClerk@Hopkinton.org).

Thank you.

Very truly yours,

Wayne R. Davies, Esq.,
