Dear Mr. Davies,

I reviewed the plans for "Stagecoach Heights" and I have no objection to the street names as listed. I do have concerns about Patriots Boulevard becoming Kings Way. I think it would be clearer to responding emergency personnel if the entire loop was either Patriots Boulevard or Kings Way, or if the two unit section at the inner end of the complex was some other name, creating a 5th street name for a division between Patriots Boulevard and Kings Way.

Thank you for the opportunity to comment.
