RE: Policy on Damage to Items Placed in the Town of Hopkinton's Right Of Way.

1. It is our policy to not allow any items not owned by the Town of Hopkinton in the town owned right of way. We recommend that any such item be relocated outside of the town's right of way as to avoid any damage.
2. Any damage done to item's that are not owned by The Town of Hopkinton such as but not limited to Irrigation Lines, Invisible Dog Fences, Fences, Stonewalls, etc., that are in the towns right of way is the responsibility of the homeowner and not the Town of Hopkinton.
3. Replacement of mailboxes is not in-kind but a standard mailbox with house number on it and a pressure treated post. The broken one will be removed and the new one installed by DPW employees.
