RESIDENT SAND PILE POLICY

1. Must be a Hopkinton resident.
2. No contractors allowed.
3. No contractor is allowed to pick up sand for residents.
4. Use the pile of sand located at the back of the DPW facility posted "Resident Sand".
5. No one is allowed inside the sand and salt storage building.
6. Straight salt is not given out. Only the sand/salt mix in the resident sand pile is available to residents.
7. All residents must enter and exit using the driveway located at the west side of the building. (Closest to Westboro).
8. The purpose of the resident sand program is for residents to come to the DPW facility themselves and fill up their own buckets with sand not to take truck loads home with them or send their landscaper here for them.
