

Town of Hopkinton
Land Use Planning Committee
Meeting Notes
April 21, 2005

Present: Eric Sonnett, Stuart Cowart, John Coolidge, Larry Faiman, Brian Morisson, Nancy Peters, Mavis O'Leary, Liisa Jackson, Finley Perry.

Muriel Kramer, and three or four others.

1. Minutes of March 30, 2005 approved
2. Updates to the Committee on:
 - ❑ Community meeting on March 31st.
 - ❑ Meeting with Pulte Homes.
 - ❑ Meeting with Cushman and Wakefield
 - ❑ Meeting with the Trust for Public Lands
3. Distribution of two drafts and discussion of community- wide, web-based survey. Decision made that a proper survey will require an informed body of respondents, and that the breadth and depth of public information is not yet great enough to produce meaningful survey results. That time will come. Meanwhile, the Committee determined that we should be doing a better job of putting what information we have up on the Town's web-site. Brian Morrison volunteered to facilitate.
4. Further efforts will be made through the Chair to connect with the land-owners.
5. Judi Barrett will meet with the Committee next Wednesday, the 27th, at 7:30 AM to extract from us our priorities for land use at Weston.
6. Meetings beyond the 27th will be on an as needed basis, and duly advertised.

Respectfully submitted,

Finley H. Perry, Jr.
Chairman
