

**Town of Hopkinton
Capital Improvements Committee
Meeting Notes
October 2, 2006**

Committee members in attendance: Dana Philbrook, Jim Gosselin, Dave Catone

Dept heads/Chairpersons/Representative in attendance: JT Gaucher, Eric Carty, Mike Mansir, Al Rogers

Parks & Recreation :

Parks & Rec plan to present the Fruit St fields project again as an article at town meeting for 2008. They plan to review project plan and estimated costs and will meet again with CIC to discuss any changes. Will also identify any additional costs the Fruit St field project would incur as a result of the postponement of the construction of a Fruit St school, such as roadway, drainage, utilities etc. Also presented for the 2008 town meeting, a plan for the EMC field lighting and safety netting as well as much needed repairs to the Gazebo on the town common.

DPW and Water & Sewer Dept:

The DPW and Water/Sewer Dept fleet replacement schedule, and major road maintenance schedule was reviewed. Discussed DPW garage and office project for 2009, current estimated cost \$5.9M. Then discussed the next phase of the CWMP plan. Study area #10 Woodville slated for 2011, to be paid by Enterprise Fund. New main water tank at \$4.5M has been pushed out to 2011. Also discussed Hopkinton's share of Westboro sewer plant upgrade at \$890K for 2009, and discussed the Wood St water pump station work for 2010 at \$1.4M. DPW to return to CIC to review engineering and drainage work to be perform at Fruit St entrance. Current estimate for 2008 town meeting is \$130K.

Minutes from the September 25, 2006 CIC meeting were approved.
