

**Town of Hopkinton  
Capital Improvements Committee  
Meeting Notes  
October 30 , 2006**

Committee members in attendance: Mike Duffy, Dana Philbrook, Dave Catone

Dept heads/Chairpersons/Representative in attendance: Lynne Fournier, Claire Wright, Cindy Chesmore, Michaelyn Holmes

Cemetery Commission : Lynne Fournier, Claire Wright

Existing capacity is down to 6 plots at Mt. Auburn.

New drainage system installed this fiscal year could increase capacity to more than 300 if drainage is successful. Will know in summer of '07

Possibility of using some Pyne land was discussed. Estimate is a max of 1000 plots per acre.

Meet in January to discuss land purchase and/or land preparation

Council on Aging: Cindy Chesmore

Plan to have an article to purchase a bus to replace 5 year old van. Current estimate is \$55k.

Forecast calls for additional funds for garage in FY '09, new vehicle in FY '13, and building expansion for dining and storage in FY '17

Historic Commission: Michaelyn Holmes

No requests are expected that would require Capital Improvement Committee review.

Respectfully Submitted,

*Michael W Duffy*

Capital Improvements Committee Chairman
