PRESENT: John H. Coolidge, Chairman, Jaime Goncalves, Vice Chairman, Mark Abate, Sandy K. Altamura, Pamela Duffy, Claire Wright

1. 81-P Plan – 176 Spring St. - Braden

Richard Braden, owner, described the plan, which is essentially identical to two other 81-P plans previously endorsed by the Board. He noted that the buyers of his property had asked for some modifications to the language on the plan. The Board voted unanimously to endorse the plan as not requiring approval under the subdivision control law.
