

## Minutes, Hopkinton Recycling Committee, 7-21-2005

Attendees: T.Drechsler, K. Kohrt

1. Minutes approved from 6-14-2005
2. Reports
  - a. Review Tipping Numbers: *Complete data not in at the time of the meeting but will be compiled & circulated with the draft minutes.*
  - b. Follow-up: updates
    - Marathon Committee schedule: *The Marathon Committee will take up the use of recycling bins at an October meeting with the DPW representative. They are concerned about costs. They are not aware of any competitive bidding.*
    - DPW quote from Harvey for e-trash & suggested fees for items. *No updates from DPW. A compilation of common items & their weights will also be distributed with the draft minutes.*
    - Status of bins for Parks & Rec / Little League / Town Beach. *Two more bins from the Fire Dept were brought up to the park. BFI provided replacements. BFI has been collecting weekly at the park, and the Little League bins are usually half- to completely full. The playground bins are little used.*
3. New Business
  - Poyarts Recycling: *Kevin will contact the Polyarts Committee to see if Recycling pickup can be added to their trash collection. Tom will be handling distribution of the bins.*
  - Logo / letterhead for the committee? *Kevin may play around with some ideas. Looked at the Parks & Rec logo, now has a high-def version of the town seal.*
  - Board of Health / Wheelabrator mercury reduction initiative. *Kevin to contact Melissa to see if he can help out. No updates from Tom Ryder (Board of Health).*
  - Grant submissions: *Kimber was not present.*
